NEW YORK, Sept. 25 .- Stocks were in supply at concessions during the first fifteen minutes, with a large number of issues declining about one point in that period. Most of the seiling came from the trading ele-men on the floor, which was disposed

New York and Philadelphia, during the early winter of 1889.

A statement by the surgeon general today on the subject of the epidemic said:

"An acute infectious disease (epidemic influenza) has prevailed in Europe this year similar in many respects to the disease which prevailed in pandemic form in the winter of 1889.90.

Ally strong at the opening, when it advanced 1/2 to 90%, but later declined to 89%. American 3melting sold off 1/2 on unfavorable statements published this morning. People's Gas also declined 1/2, selling down to 46%. A steadier tone developed after these declines.

The market closed irregular.
